

# Kids need music!

## And the Music Docent Program needs you.

Help bring music into all of our classrooms at Coyote Ridge. We have a comprehensive music program already in place, but we need volunteers to bring it alive in each and every classroom. Here's what you need to know to get started:

1. You should try to commit to one hour a month (or more if you'd like) in the classroom.
2. You can arrange the days and times with your child's teacher to fit your schedule.
3. We'll have training sessions to help you get started and show you how to access the lesson plans, the materials, the instruments, etc.
4. The step-by-step lesson plans are easy to follow, and we have all the materials and instruments that you'll need right in the Music Room (C7). You'll also have online access to the Music Room Calendar and all the lesson materials.
5. For Kindergarten through 3<sup>rd</sup> Grade, no special training or knowledge of music is required. All you need is a love of music and a willingness to share it.
6. For 4<sup>th</sup> & 5<sup>th</sup> Grades, it helps to have some background in music (i.e. piano lessons, guitar, band, choir, etc.), but no formal training is required.
